

# 2019

**5 - 7 April 2019**

3 days - As the Flying Scotsman enters a new decade, the rally returns to its traditional three-day format and our start line moves to a Lake District start to allow crews to experience more of the beautiful north.

**2 June - 7 July 2019**

36 days - The Peking to Paris Motor Challenge is unique in the motoring world - a true endurance motor rally following in the wheel-tracks of the original pioneers of 1907.

**18 - 29 September 2019**

12 days - This brand new event will mirror the Baltic Classic in terms of style and take competitors into countries that are new territory for rallying.

# 2020

**15 February - 8 March 2020**

23 days - The ERA makes its first journey to New Zealand with a spectacular route planned to showcase this amazing country.

**3 - 5 April 2020**

3 days - The Flying Scotsman returns with another three-day rally designed to test both crew and car with a mix of regularity trials and special tests on well-known circuits, remote farmland and exciting airfields.

**September 2020**

14 days - Following on from the Adriatic Adventure, the second on the trilogy of events around Europe sees the Temple Rally, starting from the iconic capital city of Athens with all its history, before crossing to Italy taking in Sicily before finishing in Rome.

**1 - 28 November 2020**

28 days - After the success of the 2016 Rally of the Incas, the ERA prepares to 'rally to the end of the world' as we return to the beauty of South America.

# 2021

**March 2021**

21 days - Starting from Mumbai, the Pearl of India rally will take in the Madhya Pradesh and Rajasthan, with a wealth of history from the palaces of Jaipur to the forts of Gwalior and everything in between, staying in the most palatial hotels in the region.

**April 2021**

3 days - The 13th outing of the Flying Scotsman will venture even further north, allowing crews more time to enjoy and experience the beauty of Scotland.

**May - June 2021**

21 days - The 4th running of this now iconic rally will be focusing on the west coast. In the same format as previous events, this will be a road trip offering competitive elements on all surfaces, in and around the Rockies and taking in the deserts of Arizona.

**October 2021**

14 days - After the success of the 2015 Sahara Challenge we return, starting and finishing on European mainland with competition in the Algarve and desert driving in Africa. Ideal shakedown in preparation for the Peking to Paris 2022.

# 2022

**April 2022**

3 days - The 14th Flying Scotsman will return in 2022 to a more central start location heading up the county before finishing close to the Scottish capital taking in some of the best scenery the north of England and borders can offer.

**June - July 2022**

36 days - This pure adventure sees the 8th running of this unique event. The Peking to Paris Motor Challenge is classed as being the pinnacle of the true endurance rally world, following in the footsteps of those mad motorists of 1907.

**September 2022**

2022 will see the culmination of the trilogy, for those of you who have enjoyed the Adriatic Adventure and the Temple Rally this is the final event starting in Rome. We will keep you in suspense as the finishing location for now but rest assured it will be one not to miss.

## Vintage & Classic Endurance Rallying

**The Endurance Rallying Association (ERA)** specialises in long-distance rallies for vintage and classic cars. Our events are real challenges, but we strive to make them hugely enjoyable and social - the camaraderie is second to none. The routes are well researched; mechanical and medical support is provided throughout.

Our team has organised over 70 major rallies through more than 50 countries. Between 2019 and 2022 we are embarking on an ambitious calendar of new endurance rallies to take you and your vintage or classic car on adventures across virtually every continent on earth.

**Newcomers and experienced crews welcome. Contact the rally office for details**
